27 SANTA BARBARA EARTH DAY FESTIVAL ALAMEDA PARK APRIL 27TH 11-6 PM	28	29	30			

Earth Day is everyday in Isla Vista! From composting with your favorite orgs to learning new ways to get creative with a plant-based diet, we are surrounded by environmental stewards who will be our leaders of a greener tomorrow! We encourage y'all to try out something new this Earth Day in support of all the work and passion that our community members dedicate to keep our natural environments safe and sound.
